Legend
AC - Academic Core **RN** - ResNet **ST** - Storrs (including Depot Campus) **AP** - Avery Point **WH** - West Hartford
TR - Torrington **SF** - Stamford **LW** - Law School **Inf** - Infrastructure/cabling **Eq** - Equipment

- 1) All legacy equipment will be replaced by Fall 2005.
- 2) All RN Infrastructure Phases will be done during the summer months while Students are away.
- 3) RN Infrastructure Phase 1 will include Hilltop, Alumni & McMahon dorms.
- 3) RN Infrastructure Phase 2 will include East, Buckley & North dorms.
- 4) RN Infrastructure Phase 3 will include West & Grad dorms IF the Master Plans don't propose demolition of them.
- 5) RN Infrastructure Phase 4 will include South & Northwest dorms.
- 6) ST Infrastructure Phase 1 - Building slated for construction in the Master Plan within this time frame will have priority.
- 7) ST Infrastructure Phase 2 - Building slated for construction in the Master Plan within this time frame will have priority.
- 8) ST Infrastructure Phase 3 - Building slated for construction in the Master Plan within this time frame will have priority.
- 9) ST Infrastructure Phase 4 - Building slated for construction in the Master Plan within this time frame will have priority.
- 10) RN Equipment Phase 1 will include South, East, Towers, Shippee & Buckley dorms.
- 11) RN Equipment Phase 2 will include Hilltop, McMahon, Alumni & Northwest dorms.
